

PRESSURE & TEMPERATURE CHART RECORDER

Part No : PROPTCR/100C/SSCASE-463x335

- Case Dimension: 463x335mm

- Temperature Range: 0~100°C

Pressure Range	Order No
10,000 PSI	PROPTCR/MODULAR-10,000PSI
5,000 PSI	PROPTCR/MODULAR-5,000PSI
3,000 PSI	PROPTCR/MODULAR-3,000PSI
1,500 PSI	PROPTCR/MODULAR-1,500PSI
1,000 PSI	PROPTCR/MODULAR-1,000PSI
600 PSI	PROPTCR/MODULAR-600PSI
300 PSI	PROPTCR/MODULAR-300PSI

SPECIFICATION

Case

High quality heavy duty stainless steel AISI-316L; IP-65
Very suitable for offshore applications and industrial
fumes and for usage in the tropics
Absolutely watertight and dustproof
The case has a lockable front-hinged door, rugged
construction and designed to last

Chart Drive

Battery operated clock, multispeed
off-60 min-96 min-12hr-1d
Chart Size: 12"(300mm)

Socket

Screwed to case, stainless steel AISI-316L to NACE
9/16x18 UNF Female

Measuring Element

Bourdon tube, stainless steel AISI-316L to NACE
modular system

Mountings

Portable

Window

Instrument glass, makrolon

Accuracy

±1% full scale

Charts

All units will be supplied with 100 chart Paper of
Extra charts available at cost

Pens

Recording is done with disposable feltpen,
hassle free and easy to replace
Each recorder is supplied with a spare pen
